

Marymount Convent School
Recommended English Reading List
For Primary 3 Pupils

Dear Parents/Guardians,

It is with great pleasure that we welcome your daughter to Primary Three! We look forward to helping your child continue to develop the skills and abilities that will enable her to become a successful, life-long learner.

You are your daughter's first and most important teacher. Reading serves as the major foundational skill for all school-based learning. Helping your child develop into a proficient reader is a gift that will last a lifetime. These few, simple strategies and actions can make a significant difference in helping your child maintain and extend her literacy skills.

 **Read aloud together with your daughter every day.**

 **Take turns reading. Your daughter can read books to you, younger siblings, and older siblings.**

 **Older siblings can take turns reading as well.**

 **Don't forget to pack a book wherever you go during the holidays.**

 **Visit the public library regularly to borrow books that are not found in the school library.**

 **Download National Library app to borrow eBooks which your daughter can read on her mobile phone.**

We hope this is the beginning of an enjoyable and enriching journey for your child and you!

Happy Reading!
